

TEAM GEORGIA

The Georgia Track & Field and Cross Country Coaches Association partnered with the Atlanta Track Club is proud to announce this year's Team Georgia. The top 15 athletes on Team Georgia will receive a Team Georgia racing kit to represent the state of Georgia at the Footlocker South Regional in Charlotte, North Carolina. Ten alternates have also been named in rank order; alternates will be contacted should any of the top 15 decide not to race. All Georgia athletes planning to attend the race are invited to join Team Georgia at the Atlanta Track Club tents on race day for snacks, hydration, shelter and camaraderie.

The team was selected by a committee of coaches from the Coaches Association who reviewed each athlete's season performances including the state meet, head-to-head competition, and consistency throughout the season.

If your name is on the list below, please contact Enrique Tomas at Etomas@atlantatrackclub.org to notify us if you will or will not be attending by November 18 or your spot may be forfeited. All Georgia athletes are responsible for their own entry fees and registration.
